

Job Title: Garden Helper

Schedule: Flexible, part-time hours based on seasonal needs

Pay: Competitive hourly rate

Job Description:

Are you passionate about getting your hands dirty and nurturing the beauty of nature? Do you have a green thumb and a love for working with plants? We're seeking a dedicated Garden Helper to join our team, responsible for maintaining the health and vitality of our garden, controlling weeds, and assisting with harvest activities.

Responsibilities:

- Assist in the maintenance of the garden beds, including weeding and watering
- Support the garden team in planting
- Harvest fruits, vegetables, herbs, and flowers at peak ripeness, following guidelines for handling and storage to maintain freshness and quality.
- Help with general garden upkeep tasks, such as mulching, composting, and cleaning garden tools and equipment.

Requirements:

- Previous experience in gardening, farming, or landscaping preferred, but not required.
- Basic knowledge of plant care, including watering, pruning, and pest management techniques.
- Physical stamina and ability to work outdoors in various weather conditions, bending, kneeling, and lifting heavy objects as needed.
- Flexibility to work a variable schedule based on seasonal demands. Can be combined with other roles such as kitchen prepper or pizza maker.

To apply, please send an email to hello@dancingyarrow.com with a brief statement outlining your interest in the position. We look forward to hearing from you!
